

Anand Reddi

Vice President, Global Strategic Initiatives & Corporate Operations, Chief of Staff to the Chief Executive Officer

Anand Reddi joined BeOne, formerly BeiGene, in 2023 as Vice President, Global Strategic Initiatives and Corporate Operations, Chief of Staff to the Chief Executive Officer.

Prior to BeOne, Mr. Reddi served on the Executive Committee at Adverum Biotechnologies as Vice President of Corporate Strategy, Corporate Affairs and Investor Relations. At Gilead Sciences, he held strategy and operations leadership roles in emerging markets, medical affairs, corporate affairs, corporate and global product strategy, global marketing and digital innovation. Mr. Reddi was instrumental in the launch of 12 blockbuster medicines at Gilead benefiting over 25 million patients in 140 countries. He started his career in basic science, clinical research and global health policy.

Mr. Reddi earned a B.A in history and a B.S. in biology from the University of Michigan and M.D. from the University of Colorado School of Medicine. He was a J. William Fulbright Scholar in South Africa.
