

Dany Habr, M.D.
*Head of Medical Affairs, North
America & International Markets*

Dany Habr, M.D., joined BeOne, formerly BeiGene, in May 2024 as Head of Medical Affairs, North America and International Markets.

Dr. Habr previously worked at Pfizer, where he was Senior Vice President and Chief Medical Affairs Officer overseeing Medical Affairs strategy and execution for the entire oncology portfolio. Before joining Pfizer, Dr. Habr served as Vice President and Head of Oncology Global Medical Affairs at AbbVie. Previously, he worked 12 years at Novartis Oncology, where he led Clinical Development and Medical Affairs for multiple oncology compounds for various hematologic malignancies and solid tumor indications.

Dr. Habr earned an M.D. from the American University of Beirut in Lebanon.
