

Jurij Petrin, M.D.

Senior Vice President, Head of New Market Development

Jurij Petrin, M.D., joined BeOne, formerly BeiGene, in 2021 and serves as Senior Vice President, Head of New Market Development.

Before joining BeOne, he was Senior Vice President of Global Regulatory Affairs at the contract research organization (CRO) PRA Health Sciences. He previously founded two companies, Pharmaceutical Regulatory Services (PRS), a regulatory consultancy, and PRS Clinical, a CRO. While running PRS and PRS Clinical, he established a network of regulatory and clinical/medical consultants and CROs in more than 90 countries, providing strategic regulatory, clinical and product registration support to many products in various stages of development worldwide.

Earlier in his career, Dr. Petrin spent more than nine years at Bristol Myers Squibb as Medical Director for Central and Eastern Europe, Executive Director of International Regulatory Affairs and Vice President of Intercontinental Regulatory Science. He also served as a consultant to PhRMA on regulatory and market-introduction policy issues for Asia Pacific, with a focus on regulatory agencies in China, Japan, South Korea, Singapore and Malaysia.

Dr. Petrin earned an M.D. from the University of Ljubljana, Slovenia, and completed a research fellowship at the University of Michigan.
