

Xiaodong Wang, Ph.D. *Co-Founder, Chairman of the Scientific Advisory Board*

Xiaodong Wang, Ph.D., is a co-founder of BeOne, formerly BeiGene, and has served as Chairman of our Scientific Advisory Board since 2011. Dr. Wang has been on the Board of Directors since February 2016.

Dr. Wang is the founding Director of the National Institute of Biological Sciences in Beijing and previously was its Director and Investigator. He served as a Howard Hughes Medical Institute Investigator and was the George L. MacGregor Distinguished Chair Professor in Biomedical Sciences at the University of Texas Southwestern Medical Center in Dallas.

Dr. Wang earned a B.S. in biology from Beijing Normal University and a Ph.D. in biochemistry from the University of Texas Southwestern Medical Center. He is a member of the U.S. National Academy of Sciences – one of the highest honors attainable by an American scientist. He is also a foreign associate of the Chinese Academy of Sciences.
